

# Results

At Essai, every student matters.

These are Essai's top student admissions, by student, for the past six years.

Not in terms of acceptances, but destinations - the single best placement received by our top students, year on year.

# How do we report our results?

We report our annual results by primary student acceptance.

Every institution named and listed refers to a student admission, and the culmination of their efforts with Essai.
