

Essai By the Numbers

There are many ways through which counselling companies report their numbers. Here are ours.

Results

Since 2014, Essai has worked with **hundreds** of students with its **end-to-end** intensive counselling program.

In that time, our students have earned:

At Essai, you're more than a score.

Since 2020, we have been proud to help our students craft and implement personalise score reporting plans, with **more than 50%** of our students having a **"test optional"** component to their application strategy.

Test-optional applicants need to engage in memorable and impactful profile building, communicate their passions effectively, and submit compelling and original application essays.

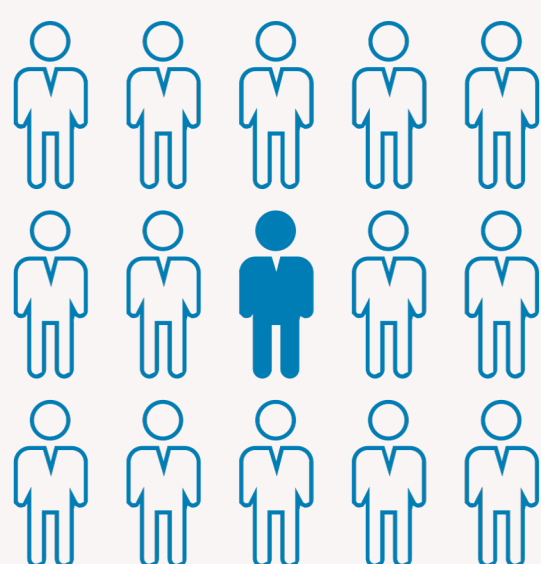

That's the Essai difference.

Since 2020, Essai students applying without SAT or ACT have been accepted by:
